

Build up NFT team - Play Game - Grow loyalty to your club

## Mission statement

*Hool's mission is to give fans the power  
to interact with their football clubs*

# The problems

Compromised fairness in real-world related game which is controlled by a centralized party.

Missing long-lasting contribution from fans' support to football clubs.

Lack of a bidirectional interaction bet football clubs and their fans.

# Solutions

Compromised fairness in real-world related game which is controlled by a centralized party.

A decentralized gaming platform, where results in gameplay are transparent and verifiable.

# Solutions

Missing long-lasting contribution from fans' support to football clubs.

A complete ecosystem for game economy, while user can stake to play, play to earn as well as purchase gaming items.

# Solutions

Lack of a bidirectional interaction bet football clubs and their fans.

An NFT gaming eco-system buiT by fans that incentivizes football clubs and players to endorse their supporter.
